

SUMMER LOVIN'

Summer vacation, for many Warriors, was spent making memories day and night.

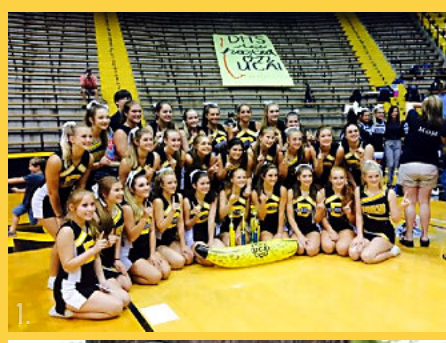

From the moment the final bell rang on May 23 to right up until bedtime on August 5, the summer of 2015 was fully lived out by each and every student. Upcoming freshmen spent their time letting their hair down before the stresses of their first year of high school while the new seniors were busy enjoying time with their friends, ready to embark on the final part of their high school journey.

In many cases, students like Layla Wilson (10) spent time traveling the nation with their families while other students like seniors Aleynah Deleon and Tommy Duong went to Indianapolis to represent the Key Club at its international convention. Whether or not they stayed at home or went abroad, students and faculty members made sure to have a golden summer before the upcoming school year.

SUMMER BREAK // 155

THIS SUMMER, MY FAMILY AND I WENT ON VACATION TO NEW YORK CITY FOR A WEEK. I GOT TO SEE A NEW YORK YANKEES GAME AT THE YANKEE STADIUM, AND MY HOTEL WAS RIGHT BY TIMES SQUARE. IT WAS LIKE A DREAM COME TRUE.
