*Let's start a revolution...*

*Let's cheer louder than ever.*

*Let's make unforgettable memories.*

*A revolution is not a one time event.*

*It's not getting hyped at one or two pep rallies. It's not attending a softball or football game every once*

*in a while. It's changing the entire view of your school. It's being the first to say "Nettleton" when*

*asked where you are from. It's being able to say "I am a tiger," without any hesitation. It's standing*

*proud at a football game screaming furiously for #10 to run the ball. We are starting a fire.*

*Everytime we contribute to Nettleton School District, we add more fuel to the fire. Let's make our fire so outrageous that other schools follow.*

*Let's start a Revolution!*
