Student Analysis

Students share their opinions on the historic Presidential election

Anna Watts, 11

Do you believe that Trump is a threat to women's rights?
"I do not believe that one person can change the feelings of one gender. However, Trump's campaign manager was a woman, and his daughter is an advocate for voting women in America."

Brand Thaggard, 11

What is your view of Trump's new Cabinet?
"It's very hypocritical because after he based his entire campaign on being anti-establishment and Wall Street, he chose Goldman Sachs executives and CEOs."

Ashli Gray, 12

Do you believe that Trump is a threat to women's rights?
"No, but Donald Trump seems to take particular joy in name-calling women with terms such as: slob, fat, pigs, or dogs."
