THINK LOUD

“Although the season did not have the outcome we had hoped for, we are so thankful for the students, our parents, and our school for supporting us throughout the entire season. I think the program as a whole has a really bright future. The seniors this year truly led the team by example on and off the court. I am eternally grateful for each of them. We are truly a family, and I couldn't have asked for a better team.”

ALDEN PARSONS, 11

A FRESH TAKE

"Since my first day on the team, everyone has been so welcoming. They see me as someone who is capable of contributing to the team. All the girls are like a second family to me, and I am so grateful that I got to be a part of the organization." Riley Cleveland photo

how DO YOU GET PEPPED?

“As a team, we watch inspirational movies and videos together. The team bonding helps us get hyped up.”

ALEX PERREN, 10

“To get pepped up, we always dance and sing to really loud music in the locker room.”

BETHANY MCCAIN, 10

“Most of the time before a game, the team will go in the locker room, listen to loud music, and bust a pinata as a tradition. Being with the team in that moment and just having fun is what pumps me up the most.”

LOREE HOWELL, 12

“Before every game, the team hits a pinata to get pepped up and for good luck.”

MILLEN FORD, 12
