

# BEYOND THE BACKBOARD!

Basketball is more than a sport. It's a passion that these guys carry on and off the court. They sweat blood and tears in order to accomplish the many goals set out before them. Being the underdog in the league makes it even harder for them. However, the Rebels take on the challenge and beat all odds. The **PERSPECTIVES** of each athlete is to not only compete but to also carry out the legacies of those who came before them.

"I felt great while signing to Co-Lin. I felt that it was the best decision moving forward in my career and moving forward in life!"
