

VARSITY CHEER

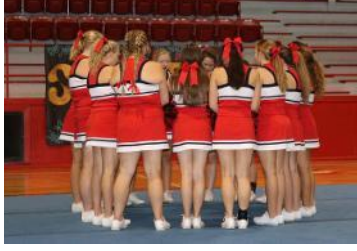

BRING *it* ON

The CA Varsity Cheer Team began their season by attending the University of Mississippi cheer camp. The girls learned new stunts, dances, cheers, and chants. With the loss of one of our beloved players, the girls formed a bond and came together as a family. They kept a smile through the hard times and stood by each other every step of the way.

VARSITY DANCE

ALL *OR* NOTHING

The CA Varsity Dance Team's season was defined by the excitement that followed each and every performance. With countless hours of practice during camp in mid-June, a thrilling blackout dance, and winning first place during the annual Christmas parade, it was truly a season to remember.
