

# Pump Up the [VOLUME]

**SENIORS!** They chant to win the spirit stick and pump up the football players for their game. Unfortunately, this is one of the last pep rallies the seniors will attend.

**JUNIORS with the Win.** These friends get together and scream as loud as they can to win the spirit stick. The other grades were loud but the juniors came out on top.

**Glowing for a Spike.** The freshman volleyball team poses together as they are getting ready for their upcoming season.

**Tic Tac Toe.** Zharria Richardson (12) rushes to place her bucket in the hula-hoop to help her team win the game.

**Do You Love Me?** Javy Hickman (11) and Haley Owens (11) dancing to "In My Feelings". They were nominated by the student body to have a dance off.

## Our Story

"My first year cheering for Harrison Central, was definitely something I'll always remember. I love cheering on the rebels with my team. The games are always so much fun and I love watching the crowd go crazy. Cheering this year has been one of the best."
