The football team defeats Gautier to create a record breaking 10 year winning streak

Decade of Dominance. Three words these players will never forget. Senior Robert Knox says the win against Gautier made him feel “amazing and accomplished.” After the first quarter ended, the boys were down 6-7 and they knew they had to step up their game. Houston Johnson (10) says he and his teammates agreed that they “needed to pickup the pace and start scoring more.” The boys continued to move the ball down the field, but it wasn’t enough to get them up by halftime. In the locker room, the boys were thinking of new strategies and ways to get out there and win the game. “I knew we couldn’t lose, there was something we had to do better,” said Tavion Evans. Each of those boys knew that to win as a team, they had to do better in their own positions. The boys came back and showed Gautier they were putting up a fight. After the comeback win of 22-16 against the

Gautier Gators, these boys knew they went out on that field and played their hearts out. Keilon Parnell says the win was “a blessing and I feel honored to be on the ten year winning team. It really is crazy we beat them. It feels like we are unstoppable.” For the seniors, it was a joyous occasion but also a sad moment. Ka’darius Grant was very excited for the win that night. He exclaimed “a trophy for Moss Point, a trophy for them, if it was another team, we would’ve had a trophy for them too!” As Robert Knox reflected on the game he remembers feeling a little “sad because I knew it would be my last time on that field.”

“A trophy for them, a trophy for Moss Point, if it was another team, we would’ve had a trophy for them too!”

“Going to playoffs was the best part of this season. I’m gonna miss playing with my bros.”

Breland Williams (12)

“Walking onto the field for my first varsity game and looking into the crowd and seeing the lights - that’s what Friday Night Lights are about.”

Hunter Lee (12)

“My season highlight was returning a kick for a touchdown at one of our big games.”

Jaheim Addison (12)

“I think I’m gonna miss scoring touchdowns and playing with my bros the most. Coach Sims was a real funny man too.”

Cory Walker (12)

With an eye on the ball, Breland Williams (12) attempts to keep Gautier from scoring. Karon Leverette (11) and Abe Daggett (12) rush in to defend the ball. The panthers triumphed over Gautier yet again for the Singing River Classic.

ON TOP of the GAME

"I won Sun Herald Player of the Week for the East Central game. I was nominated because I had 163 rushing yards and 3 touchdowns. To win, you have to win the most amount of votes and I did that. I had like 4,000 votes. It really felt like a blessing, like I just won the Heisman award, like I just accomplished something bigger than myself.
