*It's always a great day to be a Bruin*

## St. Joe sports: Rock solid

St. Joe offers students many opportunities to become involved in athletics. From bowling, golf, softball, tennis, swim, and football – St. Joe has a rich history of winning in every sport. The Coronavirus Pandemic made things decidedly different this year. Even though seasons were cut short, Bruin teams remained competitive. The spring semester saw the Lady Bruins softball team make the playoffs for the first time in years. The next school year promises to be just as memorable as St. Joe joins the MAIS.
