

DRIP FOR DAYS

students share their trending styles

Air Jordan 4 Retro Shimmer

"I like the shoes cause I can make hard outfits that everyone can't cause they're limited, expensive, and make me look good."

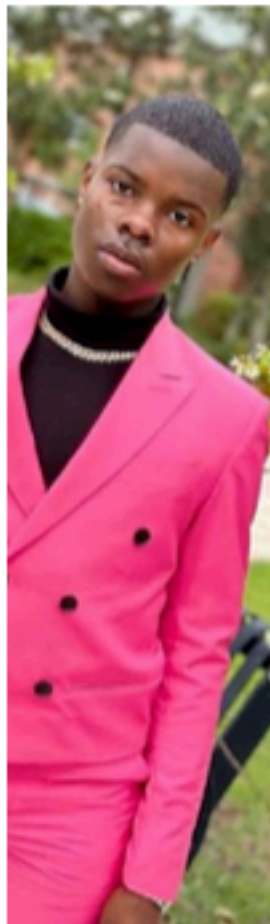

Leandra Ruiz (11)

Baggy Clothes

"It's comfortable and it looks good. People on tiktok wear it and they looked good so I wanted to try. I like baggy clothes that are fuzzy inside and fits that go together."

Merari Saez Torres (9)

Turtle Necks

"People said turtle necks were old fashioned and you don't see too many wearing them. They look nice out in public especially when you are going to an interview."

Jermerious Lofton (12)

Wide Leg Pants

"I enjoy wearing outfits with wide legged pants because I love the aesthetic look; the 90's period is my favorite era. I love everything centered around the 90's, especially the clothing that was worn. It brings a nostalgic feeling to me."

Madison Jefferson (12)

Air Jordan 1s

"I like wearing them cause they're cute, go with a lot of outfits, and they come in different colors. I have more of these than any other shoes."

Kristy O'neal (12)
