One of the best seasons in George County football history has come to a final end.

After a successful season, the team successfully made it to the playoffs for the first time in years. They additionally hosted the game at home. They went up against Terry's football team for the final game in a very tight match. Eventually, Terry won, resulting in a close score of 41-39. The Rebels commend star players Marlin Odom, Blane Green, Noah Wallace, Montrell Dortch, Deuce Knight, Brenn Moody, and Branden Gautier for their excellent performance throughout the entire season. According to Head Coach James Ray, The team maintained a strong and took initiative when needed even through transfers and player injuries. As a result, the coaches hold much pride in their hearts for the team that some call family.

Comparing the current results with last year's, there has been a large amount of improvement, as opposed to last year's only two victories against Long Beach and West Harrison. Even with this success, the team still hopes to improve in many areas, especially with keeping a consistently high score throughout the entire game.

"We strive to be better every day," coach Ray said. "I don't think we as a team have peaked yet."

The players have shown much dedication and intend to be a positive influence for fellow team members, whether it be during their frequent practices or while playing major games.

"I try to remind everyone that one loss isn't going to stop us," quarterback and Notre Dame commit Deuce Knight said.

"You can come up from one loss any time," running back Jacobe Street said.

The Rebels closed off the season with a score of 8-4.
